

Court of Appeals, State of Michigan

ORDER

In re Auvergne Richmond

Docket No. 350399

LC No. 18-000412-DL

Brock A. Swartzle
Presiding Judge

Stephen L. Borrello

Amy Ronayne Krause
Judges

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time. Denial of remand is without prejudice to a case call panel of this Court determining that remand is necessary once the case is submitted on a session calendar.

Presiding Judge

Ronayne Krause, J., would grant the motion to remand and states: This case deserves a remand and a Ginther hearing. If defendant's attorney did not speak to any of the witnesses prior to trial, that certainly could be seen as ineffective and potentially changing the outcome of the trial. A Ginther hearing is needed for a complete record to decide the issues on appeal.
